1. All Export Documents & Cargo for flights **29/04** up to & including **01/05** must be with UCH2 by **14:00** to enable our Export team to process, label, screen & stage cargo for delivery in line with flight cut-off times and avoid bottlenecks.

The 14:00 cut-off for export documents is an ideal that allows for timely processing. We appreciate there will be a number of shipments which are collected Friday 28/04 for which Export Documents will not be provided before 14:00 – These will be processed in line with our usual timeframes.

We request that all customers submit Export Documents for weekend flights at their earliest possible convenience as this will greatly assist with the provision of service.

2. Standard Export charges apply if documents are received **28/04** or earlier. If documents are received after this date, special charges will apply.
3. Any shipments collected overnight Friday **28/04** will be delivered on Tuesday **02/05** at standard tariff rates.

Shipments collected **29/04** or **30/05** will be charged at special collection rates plus standard tariff rates for delivery on Tuesday **02/05** when normal service resumes.

4. Import Delivery paperwork for consolidated overnight collections must be with UCH before 16:00 for processing.

No storage will apply to shipments collected 28/04 through to 01/05 if booked for delivery on Tuesday 02/05.
