## Are you an HGV or CAR Mechanic?

### Looking to join a successful employer who is committed to developing their staff?

This is a *great opportunity* to join a company with great progression prospects and now is the perfect time to join a market leading Transport Company to continue to develop your career.

The successful **HGV Mechanic** will be responsible for working as part of a team to repair and maintain the company's fleet of HGV and LGVs, you will become an integral part of the team as these vehicles are the heartbeat of the business. The successful candidate will deliver a seamless, proactive service.

If you are apprentice trained, and have NVQ level 3 or equivalent qualification in vehicle mechanics, or with a proven track record as an HGV or CAR Mechanic role, we would like to speak to you.

This Role would suit people looking for an exciting new role in a rewarding company.

### Responsibilities:

- Perform routine maintenance and repairs on vehicles and equipment
- Diagnose and troubleshoot mechanical issues
- Conduct inspections and identify potential problems
- Repair or replace faulty components and parts
- Keep accurate records of all maintenance and repairs performed
- Follow safety protocols and guidelines

**Salary:** £30,000 - £38,000 depending on experience

**Working Hours:** Flexibility is key to both employer and employee, we have availability across a number of shifts including early starts, afternoon shifts and weekend shifts.

### In return we offer:

- 28 days holiday (including bank holidays), rising to 30 after 2 years of service
- Company Pension
- Free onsite parking
- Laundered overalls
- Online Training Courses
- Soft skills Training

*Note: This job description is a general overview of the responsibilities and skills required for the position of HGV Mechanic. Additional duties may be assigned as needed.*
